

Good Morning Olivia

David Firth

Good morning Olivia.
Good morning Olivia.
I'd like you to see the beautiful trees
And the flowers that bow to you.

Good morning Olivia.
Good morning Olivia.
You're a gift from above.
A sign that I'm loved
And a prayer that's been listened to.

Good morning Olivia.
Good morning Olivia.

There will be a time one day soon
When you will come to me and ask, "why?"
We'll talk all about the dreams we hold inside
And we'll learn from each other.
Yes, we'll learn from each other.

Good morning Olivia.
Good morning Olivia.
God is alive for He shines in your eyes
And you know, He's as beautiful as you.

Good morning Olivia.
Good morning Olivia.

Good morning Olivia.
I love you, Olivia.
