

Mama's Prayer

David Firth

(Olivia)

Mother Mary, look what we've done. I'm lying here and resting with my firstborn son.
And I know I've have prayed for this day all of my life.
So why is there a part of me that just wants to hide?

Mother Mary, comfort me.
Mother Mary, put my mind at ease.

Mother Mary, he has fingers and toes. And a good strong chin and he has his father's nose.
He's much smaller than I thought that he would be. So, why is there a feeling that he frightens me?

Mother Mary, comfort me.
Mother Mary, put my mind at ease.

(Kelli)

Be at peace. Be at peace.
I was just as frightened with my baby next to me.
And the love I gave was just the same as yours.
Give him all you have and he'll need for nothing more.
Trust in me. Be at peace.

(Olivia)

Mother Mary number seven arrived They're all so beautiful and very much alive.
Each one's different and at times I lose control. I never thought that being Mom would take such a toll.

Mother Mary, comfort me.
Mother Mary, put my heart at ease.

(Kelli)

Be at peace. Be at peace.
I was just as weary and my patience sometimes weak.
Oh, a mother's love can drain us to the core.
Give them all you have and your strength will be restored.
Trust in me. Be at peace.

(Olivia) Oh, Mary, you're full of grace.

(Kelli) And sweetheart, so are you.

(Olivia) Your Son is the Child of God.

(Kelli) And so are your kids too.

Put away your doubts and fear and be just who you are.

The greatest gift that you can give is a Mother's heart.

(Lindsay)

Oh Mama, look at what we've done.

I'm lying here and resting with my firstborn child.

And I know I've have prayed for this day all of my life.

So why is there a part of me

That just wants to hide.

Oh Mama, comfort me.

Take to me Mama, put my mind at ease.

(Olivia & Kelli)

Be at peace. Be at peace.

I was just as frightened with your brother next to me.

And the love I gave was just the same as yours.

Give her all you have and she'll need for nothing more.

Trust in me. Be at peace.
