

We Are Home

David Firth

Wherever you go, I will go.
Wherever you live so I will be.
Wherever you die, there I will die
And we will be together for all eternity.

Whoever your people, they will be my clan.
Whoever your God I will believe.
Whatever your burden I will share your pain
And all your deepest dreams will live within my dreams.

And I promise that I will love you
In the good times and the bad;
With a passion and peace
I have never known.
Whether you're rich or poor; good health or ill
Or wondering in the dark
It's in our hearts and minds and spirits
We are home.

And I promise to love you
With a passion, I've never known.
It's in our hearts and minds and spirits
We are home.

Wherever you go, I will go.
Wherever you live so I will be.
Wherever you die, there I will die
And we will be together for all eternity.

And we will be together for all eternity.
