

## **Please Be You**

David Firth

You are a flower, blooming just a little bit every hour.  
And you could be beautiful; if you'd only open up.  
Why hold it in, when I know that you are dying to begin?  
And I can see there's parts of you  
That really wants to live.

So please be you; only you.  
'Cause I have given you gifts  
That I believe only you could use.  
Yes I have given you things like  
Songs to sing and people to sing them to.  
If you want to be someone new  
Try being you.

You are my voice. And as far as I'm concerned  
You're a darn good choice.  
But how can I sing through you  
If you want to be an ear?

So please be you; only you.  
'Cause I have given you gifts  
That I believe only you could use.  
Yes I have given you things like  
Songs to sing and people to sing them to.  
If you want to be someone new  
Try being you.
