

Welcome, Little Sister

David Alan Firth

Welcome, little sister into God's life.
Receive the light of Christ and be free.

Be free to love with your whole heart
And not just a piece at a time.
Be free to serve God with passion and zeal
Drawing strength from the Bread and the Wine.
Be free to love. Be free to serve.

Welcome, little sister into God's life.
Receive the light of Christ and be free.

Be free to dream and be creative
As you scatter and you gather God's love.
Be free to hope in the seed that you plant
Will take root and then grow to the sun.
Be free to dream. Be free to hope.

Welcome, little sister into God's life.
Receive the light of Christ and be free.

Be free to search for the simple and small
And rejoice in your gifts from above.
Be free to hold life with two open hands
Sharing all that you have out of love.
Be free to search. Be free to share.

Welcome, little sister into God's life.
Receive the light of Christ and be free.
Yes....be free.
